We need to add a .66 math teacher who is part of our math enrichment/intervention block. Math students scoring apprentice or higher will be assigned to our math-based STEAM class. This allows students to work on math skills in a project based learning type environment. Students are able to make real world connections, improve their math skills, and develop critical thinking skills.</p> <p>Math remains an area of concern with 83% of our students scoring below proficient on the 2015-16 KPREP assessment. We continue to have Compass Learning as a math intervention for novice students.</p>
